

VISITING NURSE HEALTH SERVICES School Health Program Physical Examination/Visual Evaluation/Immunization Requirements

Dear Parent or Guardian:

Per **Nebraska state law**, certain health requirements must be met before a student enters school. Please review the required information outlined below and provide copies of applicable information to the school **before** the first day of school.

Kindergarten Students

- Physical exam
- Vision evaluation
- Immunization record

Seventh Grade Students

- Physical exam
- Immunization record including Tdap immunization

Out-of-State Transfer Students or Those Previously Homeschooled

- Physical exam
- Vision evaluation
- Immunization record

In-State Transfer Students

- Immunization record

Physical exam - must be done by physician, physician assistant, or nurse practitioner within six months prior to school entrance.

Vision evaluation - testing for amblyopia, strabismus, internal and external eye health and visual acuity by physician, physician assistant, or nurse practitioner within six months prior to school entrance.

Immunization record - with dates of required immunizations. (See listing on back).

An exception to the physical examination or visual evaluation requirement may be made if the parent/guardian submits a written statement refusing a physical examination or visual evaluation. An exception to the immunization requirement is made only if a medical reason is documented by a physician, physician assistant, or nurse practitioner; or for valid religious reasons documented on a notarized State of Nebraska form.
