

BROWNELL TALBOT

2024-2025 GIVING REPORT

Dear BT Community,

As I reflect on the 2024-2025 school year, I am overwhelmed with gratitude for the extraordinary generosity that defines our community. In this, our 162nd year, you have demonstrated what it truly means to come together in support of something greater than ourselves: our students, our mission, and our future.

This year marked a pivotal moment in Brownell Talbot's history. We publicly launched our Building Together capital campaign and, remarkably, reached 80% of our goal by school year's end. Thanks to your vision and commitment, we broke ground on transformative new facilities: the Debbie and Brian Wood Atrium that will greet every visitor, a Lower School educational wing designed for how children learn best, a Lower and Middle School gymnasium that will serve our students for generations, and an expanded dining hall where our community will gather and connect.

The enthusiasm for Building Together was palpable throughout the year. Our inaugural Gingerbread for BT Day of Giving brought our community together in a joyful celebration of philanthropy, establishing what I hope will become a cherished tradition. Your response to this campaign and the trust you placed in our vision have been nothing short of inspiring.

As we focused our collective energy on the capital campaign this year, participation in our vital annual programs (The BT Fund and Gala) understandably shifted. This is a natural part of a major campaign cycle, and I am grateful to everyone who continued to support these efforts even as we asked you to dream bigger about our campus transformation. While the capital campaign builds our physical infrastructure, it is your annual gifts that fund the exceptional education happening within our walls every single day, bringing our mission to life.

Thank you for your boundless generosity, your unwavering support, and your belief in what Brownell Talbot can be. Together, we are building more than classrooms and gathering spaces. We are building the future for every student who walks through our doors.

With deep appreciation,

Kristi N. Gibbs, Ed.D.

THE IMPACT OF SAYING YES

My name is Athiei Aguto. I am a member of the Class of 2025, and I am a very proud and fortunate recipient of the Malone Family Foundation Scholarship, a scholarship that allowed me the opportunity to attend BT beginning in seventh grade.

Before coming to Brownell, I was enrolled in the gifted program at Ralston Public Schools where a teacher recommended that I investigate the possibility of attending BT. After a visit to the school, it became clear that it would be the perfect fit for me. As I walked the halls and learned about the school I was struck by all of the different activities I saw. Everyone was so focused, active in their learning. Students were collaborating in every nook and cranny - and even huddled together on the floor. I knew right away that this was the place I wanted to be.

On my first day of school, it was immediately apparent that the BT community was a welcoming community, and that I would thrive because of the many opportunities both inside and outside of the classroom. I didn't know a single person, but I was able to find my community in Spanish class with Senora Navarro where I was always accepted and appreciated. In choir I found my soprano voice under the guidance of Mr. Gould, and in theater I grew from being a shy kid who avoided the spotlight to being cast as the lead in Thornton Wilder's, *Our Town*, a fitting production for a student like me who increasingly believed that I had found *my town* at Brownell Talbot.

Only in Omaha, and only at Brownell Talbot could I, the daughter of refugees from South Sudan, hope to be intellectually and artistically challenged in such a way that I can not only cultivate dreams, but I can achieve them. But dreams don't become reality without resources - resources like excellent teachers. Resources like ever-improving facilities. And resources like generous benefactors like you. Let me be clear. It is your generosity that makes this dream possible.

So it is with equal measures of pride, excitement, and even sadness that I close this chapter on my years at Brownell Talbot. I would like to thank a few people.

First, to my parents, my mother, Nyachristmas Chuar and my father Garang Gong for always believing in me and encouraging me to pursue my many passions. I love you, Mom and Dad.

Additionally, I would like to thank Dr. Kristi Gibbs and the Brownell Talbot Board of Trustees under whose leadership Brownell Talbot continues to succeed. And finally, I want to thank all of you, for your support of BT. You truly make Brownell Talbot our town.

From the bottom of my heart, thank you.

Athiei

Athiei Aguto, '25, is attending Scripps College in Claremont, California, where she is studying biology in pursuit of a career in healthcare that allows her to help under-served populations, specifically refugees.

GIFTS OF TIME - PARENT LEADERSHIP

From organizing events to supporting our teams, from fundraising to showing up when needed most, our Booster Club and Parents Association volunteers make it all happen. We celebrate and thank the following individuals whose generous gifts of time enrich our school every single day.

“There has never been a more exciting time to be part of BT. Most institutions last for no more than 40 years, but BT is over 160 years old. This happened due only to the love and dedication of so many parents, grandparents, alumni, faculty, trustees, teammates, and benefactors. With all of their generosity, we have ensured the school's future with its beautiful new Lower School. GO RAIDERS!”

- Christopher R. Hedican,
Board of Trustees Chair

The BT Fund is a critical part of BT's financial model and helps keep BT delivering exceptional, forward-thinking education. Contributions directly enhance the educational experience our students receive every day. While tuition covers the basics, The BT Fund allows us to say "yes" to the exceptional teachers, innovative resources, and transformative experiences that set BT apart.

We extend our sincere thanks to the following annual fund donors. Your ongoing partnership provides the flexible funding that allows us to respond to needs, seize opportunities, and fulfill our mission.

Countless

Disco Balls

BT's annual Gala stands as our school's premier fundraising celebration, bringing our community together each May for an unforgettable evening of generosity and festivity. Gala proceeds directly benefit BT students through support of our school's generous scholarship program, academic programs, fine arts, athletics, student activities, and faculty and staff enrichment.

Thank you to the generous supporters who made our annual gala a tremendous success. Your presence, support, and enthusiasm created an evening we won't soon forget—and raised essential funds for our programs.

2024-2025 GALA LEADERSHIP

Casie and Vernon Schlueter
